

Modify Research Advisor

Name:

Step 1. Discuss your decision with your current research advisors.

Student: What is the reason for this change?

Step 2. Choose a new research advisor.

New Advisor: My signature certifies that I have accepted this student into my research group. By doing so, I also commit to the funding specified in this student's offer letter and approve his or her access to my research lab(s).

Student: My signature certifies that I am committing to join the research group of _____.

Director of Graduate Studies: My signature certifies that I approve this change.

No new advisor at this point? You and the DGS will determine a date for when this must be confirmed.

_____/_____/_____
Date Student initials DGS initials

Step 2. Deliver this signed form to the Graduate Program Assistant in CP-125.
